## CLEAN, EFFICIENT, SIMPLE

CLEANWELL® is a dope-free solution for VAM® connections. Beyond its innovative technology, CLEANWELL® is a real step change in the way to manage tubulars from the mill to the well. CLEANWELL® brings a wide range of benefits :

### SAFETY

- Less pipe handling
- Cleaner rig floor

### IMPROVE WELL PRODUCTIVITY

- No dope-related skin damage
- No dope clogging up sand screens

### PRESERVE THE ENVIRONMENT

- No storage dope
- No running dope
- No discharge
- No waste disposal

### SIMPLIFY OPERATIONS

- Reduce preparation time
- Easier wireline

### A TRUE RIG READY SOLUTION
